

I want you to write a cover letter in this format 4 paras:

Date:

(space)

Name of Hiring Manager

Position of the hiring manager(hm)

Company Name

Address

City,Prov,PostalCode

(Space)

RE:

About them(company): strong hook, don't be boring, be creative and genuine, don't copy pasty company info from the company's site. be professional, do not glaze them to much sound genuine

About me(2 paras): bring my resume to life, make connections between the job posting and my resume, how I am a great fit, what I have to offer

Us(me and the company): Summary, show interest, add somewhere in the last para , I may be contacted through the SFU FAS CO-OP office. Say thank you

Make it sound like as human and genuine as possible and use simple words(nothing more than a 10th grade level) Again make it sound human and not A.I and only use info from my resume, do not assume anything or lie. Do not use dashes unless necessary
